Exhibition

This year we will again be hosting a small table-top exhibition, featuring companies providing products and services to the “chemical hazard” community, so whether it’s the latest SDS software you want to see, or you need help with managing your REACH registration obligations, our exhibitors will be happy to talk to you. If you are interested in exhibiting, or sponsoring the event in another way, please contact the CHCS Office (contact details below).

Many thanks to our confirmed exhibitors for our 2019 event:
