

CHCS Webinar:

Part 3: “Taiwan Chemical Regulation Introduction”

30 June 2020, 13:30 – 14:45 BST

Register Now

We are delighted to bring you 3 webinars in Chemical Regulatory Management in Asia, focussing on China, Korea and Taiwan, presented by CIRS.

CIRS is a global professional product compliance management consulting service agency, specializing in providing technical consulting and regulatory response services for chemical, consumer goods companies, scientific research institutions and industry associations. For more information see: www.cirs-reach.com (English) and www.cirs-group.com (Chinese).

The third in the series is “Taiwan chemical regulation introduction”, and will cover:

- Regulation framework and latest updates in Taiwan
- Existing chemical regulations
- New chemical regulations
- Taiwan GHS

Our Presenter: Bryan Zhou

Mr. Bryan Zhou is Senior Regulatory Consultant and Deputy General Manager of CIRS Europe based in Dublin, Ireland. He has been working for CIRS since 2015 after receiving his Master's degree in Chemistry from University of Cincinnati. His extensive expertise includes EU REACH, China REACH, K-REACH, Global GHS requirements and other worldwide chemical regulation compliance knowledge. Bryan has assisted hundreds of EU companies to meet regulatory compliance requirements in these regions.

Registration

The webinar is free of charge for members of CHCS. We are also pleased to offer the webinar free-of-charge to members of [BADGP](#) and [SCHC](#) (click on the links to see how to register). If you are interested in attending, but not a member of these organisations, you can [JOIN CHCS](#) and then register, free-of-charge.

To register please visit the registration page: [Taiwan Chemical Regulation Webinar](#). You will receive an email of confirmation and then an email from GoToWebinar explaining how to join the event on the day.
